Subject:— Rules under the Bombay Nurses Midwives and Health Visitors Registration Act 1935.

File No. Nurses II/50(R)

Gen. 181 e.

Legal Department.

The draft Notification at pages 9-10 ante, as amended, is in order.

2. It is not understood why the words "or under an agreement for reciprocal registration" are inserted in the proposed new proviso. The meaning of these words as used in the proviso is not clear. If the intention is that nurses trained in a country with which the Council has entered into an agreement for reciprocal registration should be eligible to have their names transferred to Part A, that intention seems to have been carried out by Rule 9-A and a provision for that purpose is not necessary in the proposed proviso to Rule 9. The Department should consider whether the words referred above are necessary and if so, make the intention clear.

Revised draft notifications are sent herewith.

2. It appears from rule 14 of the Bombay Nurses, Midwives and Health Visitors Rules, 1935, that every nurse who passes the Diploma Examination in Fever Nursing or Children Nursing or Surgical Nursing and Theatre Work (which subject is now being added) is to be granted a diploma in each subject. The amendment in bye-law 30 should, therefore, be as follows :-

In her item 2-c, for the words "Fever Nursing and Children's Nursing" the words "Fever Nursing or Children's Nursing or Surgical Nursing and Theatre Work" shall be substituted. The draft has been amended accordingly.
